My dear Kitta,

I send you ten rupees and request you to contribute in my name five rupees to the Kuppuswami Sastri fund and five rupees to the Pandit Swaminatha Aiyar fund. Both funds deserve support. No men have deserved better of the Hindu community.

When you man brought me the book the other day its pages were fresh. I was loath to begin with a small figure. By now I daresay you have gone some way & don't mind how poor a contribution is.

I shall be pleased if you put me down as A sincere admirer —

Yours affectionately
K S Srinivasan
